STUDENTS TAKE PROGRAM PARTS AT HIGH SCHOOL

Miss Emily Yates to End 43 Years Continuous Service in City

DECISION IS SURPRISE

Impressive Final Service Witnessed By Huge Crowd Thursday

Seventy-six high school seniors, 36 boys and 40 girls, were graduated from Circleville high school Thursday evening while parents, other relatives and friends enjoyed the complete program.

A dramatic highlight to the commencement proceeding was reached when Supt. Frank Fischer announced Miss Emily Yates, teacher in the public school system for 43 years, was retiring. The announcement caused a gasp of amazement to run through a large part of the audience. Miss Yates, in charge of eighth grade English, had taught many of the parents who attended Thursday's exercises.

Pat J. Kirwin, high school graduate and editor of the Ohio State university Lantern during the last year, was chosen by Supt. Fischer to deliver a eulogy to the retiring educator. Mr. Kirwin made a brief, but brilliant address, before presenting Miss Yates with 43 American Beauty roses, one for

INTERVIEW BRIEF

A representative of The Herald called on Miss Yates Friday morning to learn some of the interesting highlights of her many years of teaching. "Just tell the people I've quit teaching," Miss Yates said. "I've taught some of the finest boys and girls in the world, every minute of my work has been most enjoyable. Enough was said Thursday night. Good-bye." That ended the interview.

Surrounded By Friends At the conclusion of the commencement she was surrounded by scores of well-wishers. The 76 graduates did their parts nobly. Several had speaking parts in the program and all addresses were capably handled. Richard Harmon, class orator, presented the dramatic monologue "Jean Valjean and the Bishop" by Victor Hugo. Matilda Davis, salutatorian; George Rader, the second class orator, and Alice Griner, the valedictorian, spoke on "Past," "Present," and "Future," respectively.

Jury Frees Day

CONVICT James E. Day, tried in Joliet, Ill. for the razor-slitting of Richard Loeb in Stateville prison, was found not guilty of murder by a jury. Day took the witness stand in his own defense to tell of a fatal struggle in the shower room of the prison. Loeb was one of the two thrill-killers of Bobby Franks.

'BLACK LEGION' FLOGGERS HELD

Nine Ecorse Residents to Face Michigan Charges

DETROIT, June 5.—(UP)—Nine alleged members of the Black Legion, including several prominent citizens of the suburb of Ecorse, were in custody today charged with kidnaping and flogging a legionnaire.

They were arrested as the multiple investigations into the activities of the secret terroristic society began to lay bare ramifications among public office holders and municipal and state employees.

Those charged with participation in the newest of the known cases where the Legion prescribed its own law and enforced it with the lash included Jesse J. Pettitjohn, clerk of Dearborn township and former trustee of Ecorse, Charles King, former Ecorse trustee, and James Stewart, who was discharged from the Ecorse police department six years ago.

Pettitjohn, King, and Stewart, along with Harold Lawrence, said to be a legion captain, and Ed Wineinger and Harry Clawson, were all arrested in Ecorse last night on warrants charging them with assisting in the kidnaping and flogging of Robert Penlan, who underwent that punishment because he failed to attend a legion meeting.

These six joined three others arrested yesterday afternoon. Detectives searched for six other alleged legionnaires on warrants issued at the request of Wayne County Prosecutor Duncan C. McCrea. The three first arrested—Thomas F. Cox, Frederick A. Guley, and Earl Angstadt—admitted they assisted in the flogging of Penlan, although the victim refused to identify them. McCrea said Penlan was "scared to death" of legion vengeance.

GRENADES USED IN NEW JERSEY BANK ROBBERY

LITTLE FERRY, N. J., June 5.—(UP)—Using a new technique which involved hand grenades in addition to the familiar sub-machine gun and sawed-off shotgun, five men today held up the Little Ferry National Bank and escaped with \$15,000.

Cashier Peter A. Wiseman said the robbers threatened to hurl the hand grenades behind the grille of the cashiers' and tellers' cages. "That's what made us open up and let them in," he said.

TWO WITHDRAW FROM RACE FOR POLITICAL POST

Adkins and Weiler Turn Down Nomination for Committee Chairmanship

GOELLER IS STILL IN

Republicans to Gather This Evening to Pick Executive Leaders

Chairmanship of the Pickaway-Democratic executive committee went a-begging today as two of the three men nominated for the position withdrew. They were George G. Adkins, present chairman, and W. E. "Ernie" Weiler, sales tax examiner, a new member of the committee. Lawrence Goeller, the third nominee, has not declared his intentions but several of his friends believed Friday he would accept the nomination.

No date has been set for the meeting of the new committee of 45 men. Mr. Adkins, who remains as chairman until a successor is elected, will call the meeting sometime next week.

Will Not Accept

Mr. Adkins withdrew Thursday. He said a week ago he did not seek the office, and has now decided not to accept even if it is voted to him.

Mr. Weiler, in whose behalf a concerted campaign was made in the central committee, informed The Herald Friday that he believes the chairmanship should go to an older man. "I am now president of the Pickaway-Democratic club," Weiler explained, "and I believe that is enough. I am in favor of electing an older man to the office. Tell them I am not in the race."

A number of changes were made by the central committee and the candidates when they met Wednesday evening to name the new executive group.

Republicans to Meet

The newly-appointed Republican executive committee will meet this evening in the office of Tom A. Renick to organize. It is believed Mr. Renick will be re-elected chairman. The meeting starts at 8 o'clock.

The plaintiffs charged their composition was incorporated in the song, "One Hour With You."

DISTRICT COURT HITS UTILITIES

New Deal Aid for Power Projects is Approved

WASHINGTON, June 5.—(UP)—The district Supreme Court ruled today that New Deal allotments to finance municipal power projects under the Work Relief program are constitutional.

The one-judge decision was made personally by Chief Justice Alfred A. Wheat. It came after a month-long trial of four utility companies attacking the re-employment activity as outside the law.

The decision was an out-and-out defeat for power interests seeking to stop Public Works administrator Harold L. Ickes from using federal funds to finance publicly owned electricity plants, transmission and distribution systems with loans and grants.

Utility attorneys said they would Appeal Chief Justice Wheat's decision to the district court of appeals.

From that tribunal regardless of its ruling, the case will go to the U. S. Supreme court next fall for final settlement on constitutionality of the \$200,000,000 program.

Federal Agents To Seek Missing

Daughter of Resettlement Official Not Seen for Two Abduction Theory Not Considered

WASHINGTON, June 5.—(UP)—Police and department of justice agents were asked today to search for Ednee Josephine Stephens, 15, daughter of Winston B. Stephens, personnel director of Resettlement administration, who has been missing two days.

The girl has not been reported since she left home Wednesday morning to go to school, her father said today. After she failed to return home late in the day, it was learned she never reached her schoolroom. The Stephens live in nearby Chevy Chase, Md.

District of Columbia and Montgomery-co, Md., police were asked to search for the girl and yesterday the federal bureau of investigation of the department of justice was notified that she was missing.

Stephens said today he knew of no reason why his daughter might have run away. "She had been perfectly happy," he said.

The girl was clad in a white dress when last seen, with no coat or hat.

Seen in Washington Stephens said police had found several "very vague" clues, one indicating that the girl had been seen in Washington. All of her youthful friends had been questioned, however, and none had seen the girl.

The father said Ednee's grades in school had not been as high as usual.

"My only guess is that she first intended to play hookey from school for one day, and then got panicky about returning home to face the music, and has been hiding somewhere since," Stephens said.

This is examination week in the girl's school. Department of justice officials declined to comment on the request that they enter the search for the Stephens girl.

There was no indication, however, of belief by any officials that the girl had been kidnapped. Police appeared inclined to agree with Stephens that the girl was playing hookey and probably would turn up shortly.

Moses, One of Chicagoan's Aides, Urges Action to Stop Early Favorite

CLEVELAND, June 5.—(UP)—Republican raiders armed by Sen. William E. Borah and Frank Knox have ambushed Gov. Alf M. Landon's presidential bandwagon and the battle of political musketry raged today in a skirmish to prevent his nomination.

The Landon home guards delegates to the Republican national convention arrived in counter to remain supreme.

ly confident their man will be nominated easily and quickly next week.

Borah will arrive Sunday to direct anti-Landon strategy. So far, however, there is no real evidence of an organized anti-Landon campaign. But Borah's managers and backers of Frank Knox focus in charging that the Kansas governor is a New Dealer at heart.

Not Fit to Run? Landon's supporters rallied today to demand that he be charged that he is not fit to run for president on a platform drafted for "Republicans and Jeffersonian Democrats."

Except for the stormy assault begun independently by supporters of Borah and Knox, there has been no major obstacle raised here to Landon's steady march toward the nomination. The Borah attack, however, revived discussion of a possible Borah bolt if Landon is named. And the general complaint against "stampedes" and "steamroller" tactics reflected the angry feeling which is developing as the barrier bulges before contestants anxious to get the big race going.

A suggestion last night by Dr. Nicholas Murray Butler of Columbia university that Gov. Frank O. Lowden and some anti-New Deal Democrat be drafted by the Republicans as a presidential ticket came to nothing when Lowden snorted:

"I am not interested." But the challenge to Landon's Republican regularity raised a hot and unquenchable issue today. The Kansas governor has been placed on the defensive by the charge that he cooperated too eagerly

COUNTY FARM BUREAU MAY FORM COLT CLUB

All Pickaway-co youths interested in joining a colt club have been asked to attend a meeting in the Farm Bureau offices next Tuesday at 8 p. m.

Plans are being made to have meetings once each month. Prominent horse raisers will discuss proper feeding, training, management, diseases and other matters of interest to the group. E. E. Wolf, local horse dealer and director of the horse division of the Pumpkin show, will assist in forming the club.

A special division will be added to the horse show this fall for exhibition of colts raised by club members. Premiums will be given.

Recent high prices paid for good work horses have created a large amount of interest in colt production. The fact there is only 46 per cent as many horses in the state as there was ten years ago indicates there will be continued interest in the horse business for some years to come. F. K. Blair, county agent, said.

PE LEARNS NEW EFFORT TO DOWN OTTO

Return of PE-
burgs Favored
By Mussolini
In Central

PARIS, June 5.—(UP)—Reports reached the new government today that events might be impending in central Europe which would shake the continent as it has not been shaken since Adolf Hitler's occupation of the Rhineland.

From sources abroad, the government was advised that there might be three simultaneous moves:

- 1—That Hungary would denounce the military clauses of the Trianon treaty, restricting the size of her armed forces. Germany and Austria already have denounced the restrictive clauses of the Versailles and St. Germain treaties.
- 2—That Otto Von Hapsburg would return to the throne of Austria, a move which the Little Entente nations—Jugoslavia, Roumania and Czechoslovakia—have announced would mean their mobilization.
- 3—That Benito Mussolini of Italy would announce the restoration of the Hapsburgs to be under his protection, and that if the Little Entente sought to oppose the denunciation of the Trianon treaty or the restoration of the monarchy, he would mobilize his army along the frontier of Yugoslavia and Austria.

These reports assumed additional gravity because Chancellor Kurt Schuschnigg of Austria motored today from Florence, Italy, where he went for a "vacation," to confer with Mussolini at Rocca Della Carmine, to which Mussolini motored yesterday.

Also, it was recalled, Mussolini recently conferred with Schuschnigg and Premier Julius Goemboos of Hungary together.

Unconfirmed reports reached Vienna today which gave some substance to the reports received here. These included:

- 1—That Italian authorities had ordered the evacuation of all schools in the Trentino country, near the Austrian frontier, by June 10.
- 2—That Italian general staff officers at many points near the frontier were already making provision for extensive summer maneuvers by building temporary barracks and sequestering land for more permanent barracks.

THEATRES

AT THE CLIFTONA

With Warner Baxter contributing the finest performance of his career, "Robin Hood of El Dorado" opens today at the Cliftona theatre to take its place among the truly magnificent outdoor features of the talking screen.

Produced on a spectacular scale, it is a romanticized slice of one of the most glamorous periods of America's frontier history—that era which began in 1846 with the discovery of gold in California.

Possessing much of the epic sweep of such tremendous hits as "The Covered Wagon," "The Big Trail" and other outdoor films that marked the closing days of the silent screen, "Robin Hood of El Dorado" has a dramatic majesty that gives it the aura of importance, while at the same time retaining the intimacy of romance and personal thrills which make for truly superb entertainment.

As an added all vacation you will see Jimmie Allen in "Sky Parade."

AT THE GRAND

Characters in the movies, fiction or cartoon strips who club an opponent with a gun butt violate an elementary rule in gun-fighting and needlessly endanger their own lives, according to Buck Jones whose latest Universal adventure drama, "Silver Spurs," comes to the Grand theatre on Friday.

If the gun is to be used as a clubbing weapon a firm grip must be kept on the butt, the striking being done with the barrel. Jones says. In this way the pistol is always kept in readiness as a fire-arm and the opponent has no opportunity to grab the butt and wrest the gun from its owner's hands.

DON'T TREAT CONSTIPATION* LIGHTLY

Poor Health May Be the Price
of Neglect

Too many people dismiss common constipation* as a matter of no great consequence. Yet this condition causes discomfort, and may lead to headaches and loss of appetite. When it is allowed to continue, it may lower your resistance, and so increase your chances of catching a serious illness.

Common constipation often develops when you eat meals that lack sufficient "bulk." Your system fails to get needed internal exercise. Fortunately, today, you have a generous source of effective "bulk" in Kellogg's ALL-BRAN.

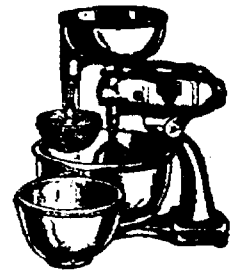

Within the body, the "bulk" in ALL-BRAN absorbs moisture, and forms a soft mass, which gently cleanses the system. This natural laxative food also supplies vitamin B and contains iron.

Serve ALL-BRAN as a cereal, with milk or cream, or cook into muffins, breads, etc. Two tablespoonfuls daily are usually sufficient. Stubborn cases may require ALL-BRAN often. If not relieved this way, consult your doctor.

ALL-BRAN is guaranteed by the Kellogg Company as an effective laxative food for constipation.* Sold by all grocers. Made by Kellogg in Battle Creek.

tively, Miss Davis discussing developments in fields of education and business, Mr. Rader listing a large number of the members of last year's graduating class and the positions they now fill, and Miss Griner reciting hopes for the success of the graduates, and the bright outlook which faces them.

Remarks by Supt. Fischer in which he said the "hopes and prayers of the entire teaching staff follow you graduates," followed the invocation by Rev. G. L. Troutman of Trinity Lutheran church. Music interspersed the speaking program with the orchestra playing "The Black Rose" by Brockton. The senior chorus sang "Marianina" by Loomis and "The Heavens are Telling" by Beethoven. The orchestra later played the intermezzo scene, "In a Persian Market" by Kestelbey.

Two Students Honored

Principal E. E. Reger's part in the program included presentation of awards and of the class to Charles H. May, president of the board of education. Mr. Reger honored Jane Littleton and Dick Plum as recipients of the Kiwanis Club achievement keys, given annually to the outstanding girl and boy student in the graduating class. These awards are deferred by activity, scholastically and socially, through the four years of high school life. The winners were determined by Mr. Reger and Virgil Cress of the local high school and Robert H. Terhune of the Jackson-twp. school, the Kiwanis club committee. The winners will be guests of the club at its meeting Monday evening at the Pickaway Country club.

In well-chosen words, Mr. Reger next presented the class to Mr. May, who handed out diplomas after a brief address in which he thanked teachers, parents and taxpayers for their interest.

The class song, "Class of 1936" with music by Dick Plum and words by Alice Griner, was sung by the class members prior to the benediction by Rev. Troutman.

Members of the graduating class who finished their four years with averages of 90 or better were Alice Griner, Matilda Davis, Evelyn Wolfe, Betty Binkley, Jane Littleton, Eleanor Brown, and Thelma Piper.

Class officers are: president, Hilaire Haacker; vice president, John Griffith; secretary, Anne Vlerbome; treasurer, Jane Drum. The class colors are red and silver; flower, American Beauty rose; class motto, "By Our Efforts We Seek to Rise."

Theda Bara, Once Star, Guest of Radio Theatre

Most Famous of Early "Vamps" to Appear With William Powell and Myrna Loy Monday Eve

Theda Bara, most famous of the "vamps" of the screen's silent days will be a special guest in the Radio Theatre with William Powell and Myrna Loy on Monday, June 8, 8 p. m. (EST) on the radio. Bara, who directed "The Thin Man" for the movies, will be guest producer for this broadcast over a WABO-CBS network at 8 p. m. (EST).

Powell, who has just completed "My Man Godfrey" for Universal, is now on the first extended vacation he has been able to get in several years of picture work but he has agreed to give up part of his holiday time to co-star with Myrna Loy in the detective drama they made famous on the screen.

Cecil B. DeMille, regular producer of Radio Theatre will be away from Hollywood for a few days and unable to be present at the performance of "The Thin Man" so he has invited Van Dyke to take his place. The latter has just finished making "San Francisco" for M-G-M.

CINCINNATI OIL CREW HAMMERS OUT 15 TO 4 WIN

Six Markers in First Frame Enough to Defeat Pick-away Dairy Team

Cincinnati Oils took undisputed possession of first place in the softball league by pounding out a 15 to 4 victory over the floundering Pickaway Dairies Thursday evening. The Oils scored six runs in the first inning with Bob Terhune's home run with two on board capping the drive.

Bill Hegel on the mound for the winners, had smooth sailing after this first inning. Byron Eby, though hit hard and given ragged outfield support, twirled the whole game for the losers.

The Eagles have a chance to regain a tie for the top this evening when they play the Cities Service Oils, but Clarence Heilinger's crew has started to smack the apple and may be tough for Mr. Eddie Callahan and Co. Tonight's game should be one of the best of the first round contests.

Buskirk will pitch for the Oils. Next week's schedule opens with the Given Oils and the Cincinnati Oils meeting on Monday evening. This game, too, should be an outstanding one.

About This And That In Many Sports

Fans for DiMaggio
ONE FIRST-YEAR man may make the American league All-Star team that meets the National league All-Stars at Bess Field, Boston, July 7. His name is Joe DiMaggio. . . early balloting in the nation-wide poll is giving Joe a nice boost.

One guy who has been kicked around a bit during his major league career—Billy Sullivan—is reported receiving quite a few ballots from the fans who select the two teams . . . after seeing service with the White Sox, being sent back to the minors, and finally allowed by the Cincinnati Reds to make a deal for himself, Sullivan has found himself this year as a catcher for the Cleveland Indians.

Luke Appling of the White Sox is getting quite a few votes, but the shortstop job probably will be won easily by Bill Knickerbocker of the Indians. . . the voting deadline is June 20.

Von Cramm Perfect
Baron Gottfried von Cramm of Germany may be this year's brightest star of international tennis. . . his recent victory over Fred Perry to win the French hard court championships was sweeping. . . critics (even the Parisians) called his attack perfect. . . Pop Warner will try to develop Eulace Peacock, shadowy sprinter, into a football man. . . Eulace had some experience in high school, where he showed fine open field ability.

During the last ten years we have had three of the worst heavyweight champions in history—Sharkey, Camera and Baer—and it's about time for a good one to come along. . . Braddock may be the man. . . but you'll know for sure after the Schmeling-Louis fight. . . Joe Cronin's father and mother live in a \$10,000 home he bought for them, in San Francisco. . . Joe's father, Jerry, used to drive a coal truck. . . The number on Joe Louis' favorite automobile is K. O.

Speed at Langhorne
Lou Meyer, three times winner at Indianapolis, will be one of the favorites in the 100-mile eastern states AAA championship race, June 14, on Langhorne speedway, at Langhorne, Pa., which is rated at the fastest circular mile track in the world. . . three sectional champs are in the lists—Rex Mays, of Los Angeles, twice Pacific coast speed king; Babe Stapp, middle-western title winner last year, and Doc MacKenzie, of Edgington, Pa., reigning champion of the east. . . more than 100,000 persons saw four speed programs last year at Langhorne. . . the inaugural this year, on May 17, brought 40,000.

Our rajahs of the racquet sport lived up to form this year. . . keeping Bryan Grant on the sidelines while the fading Wilmer Allison made a show of himself at Germantown against the Australians.

STAR ATHLETES IN AAU CONTEST

Anderson and Keller to Take Part in Columbus

COLUMBUS, June 5. — (UP) — Headed by two athletes who gained points for the United States in the last Olympics at Los Angeles, 121 track and field competitors who seek the right to participate in the international games at Berlin this summer, will take part in the Ohio A. A. U. meet here tomorrow.

The entry list of high school, college and unattached stars is topped by John Anderson, former Harvard athlete, and Jack Keller, a Big Ten champion and world's record holder when at Ohio State.

Anderson won the 1932 Olympic 100-meter dash with a throw of 162 feet 4 1/2 inches. The toss created a new record for the games and exceeded the best previous throw by almost seven feet.

Keller, recognized as one of the greatest hurdlers in collegiate history, was plagued by misfortune at Los Angeles four seasons ago, but took a fourth place in the 110 meter hurdles.

He has trained for the last two years with Ohio State teams in an effort to win another Olympic berth. He will compete in the 100 meter dash and the 110 meter hurdles.

Three other former collegiate stars entered here who are certain challengers for team berths are Vince Murphy, A Notre Dame graduate of last year; Ray Sears, Butler, and John "Whitey" Wonsiewicz, formerly of Ohio State.

YESTERDAY'S HERO: Johnny Whitehead, pitcher for the Chicago White Sox, who held the heavy hitting Yankees to four hits.

RYBA TO PITCH AS MOGUL HITS LEAGUE RULING

DURHAM, N. C., June 5. — (UP) — Mike Ryba, optioned recently to Columbus in the American association by the St. Louis Cardinals, will be able to play under terms of a ruling announced here last night by Judge W. G. Bramham, president of the National Association of Professional Baseball leagues.

Ryba's eligibility had not been ratified by George Trautman, president of the American association, and the Columbus club asked Bramham for a ruling. He ruled Ryba was eligible for immediate competition.

Ryba is scheduled to pitch the opening night game at Columbus tonight.

WISCONSIN CREW MEETS MARIETTA ON OHIO RIVER

MARIETTA, June 5. — (UP) — The crews of the University of Wisconsin and Marietta college will race over a two-mile course on the Ohio river here tomorrow.

The winning team will be awarded the Charles G. Dawes trophy, given a year ago to the winner of the Mid-America regatta. The regatta, which drew the crews of six schools, was not held this season.

Marietta has had two previous races this season. It finished second to Rutgers in a four crew battle at Philadelphia two weeks ago and then won from Rollins college of Winter Park, Fla. Tomorrow's race will be the first of the year for Wisconsin.

Wisconsin and Marietta met twice last season. In a race on Lake Mendota, near Madison, Wisconsin won and then Marietta finished ahead of the Badgers in the Mid-America here.

Coach Ralph Hunn and his Wisconsin crew arrived here yesterday.

NATIONAL OPEN STARS BUNCHED

81 Players Within Six Strokes of Each Other

SPRINGFIELD, N. J., June 5. — (UP) — The National Open moved into the second round at Baltusrol today with 81 players bunched within six strokes in the closest scramble in its 40-year history.

Where a year ago at Oakmont only one player—Butch Krueger, a semi-pro baseball pitcher from Beloit, Wis.—broke par on the first round, 14 players riddled par in yesterday's steampede at Baltusrol.

The pendulum swung with such contrast that 81 players out of a field of 168 starters, were clustered between the figures of 69 and 75. A 69, three under par, was only good for a three-way tie at the end of the first 18 holes.

Leading this dazzling pace at the start of the second round were three products of the courses on the southwest—diminutive Paul Runyan, former farm hand, from Hot Springs, Ark., who developed his powerful wrists milking cows; lanky Ray Mangrum, gambling shot-maker from Dallas, Tex., and husky Clarence Clark, originally out of Burlington, Kans.

Runyan, Mangrum, and Clark were the men to catch as the mad-cap race whirled into the second round. But tradition cheered the trailers because only one man in history ever lunged into lead on the first day and won the championship. That was Bobby Jones, who started with a 69 at Winged Foot in 1929.

THOMPSON AND MADER TO MEET LANCASTER PAIR

The first real golf match of the year will take place on the Pick-away Country club course Sunday afternoon when Tod Thompson, club professional, and Johnny Mader, local amateur, will pair against Allen Stewart, Lancaster professional, and his sharpshooting son, Ralph.

The match will be over the 18-hole round and will start between 1 and 1:30 p. m.

Members of the club who wish to enjoy an afternoon should follow this foursome.

Thompson a week ago scored a brilliant 69, three strokes under par, for the difficult layout. Mader has been playing good golf, too.

JOHNNY ALLEN FINED \$250 BY CLEVELAND

BOSTON, June 5. — (UP) — Johnny Allen's latest tantrum had cost him a \$250 fine and "damages" today.

The temperamental Cleveland Indian pitcher went berserk after dropping a 6-2 verdict to the Boston Red Sox Wednesday, it was disclosed.

Returning to his hotel about 2 a. m. Thursday morning, Allen allegedly overturned lounge chairs in the lobby, yanked a fire extinguisher from its cradle, tossed a stepladder through a chandelier, and strewn assorted shoes through a corridor, scoring several "hits" on employees.

Manager Steve O'Neill, appraised of the flareup at breakfast, imposed the fine and costs.

HOPE FOR VICTORY

MILWAUKEE, June 5. — (UP) — On the shiny brown legs of Owens, Modern minimum track, rested Ohio State today for a second round Central Intercollegiate track and field championship.

Preliminaries in the 11th annual running of this rapidly growing carnival were scheduled this afternoon on the lightning fast track in Marquette university stadium. All finals will be staged under the floodlights tonight before a crowd expected to reach 10,000 or more.

COURT OF APPEALS SUSTAINS JUDGE ADKINS' RULING

SUIT INVOLVING PARCEL OF REAL ESTATE CLOSED

Great-Grandchildren Are Not Included in Will of Wellington White

Two decisions of Common Pleas Judge J. W. Adkins were sustained Friday by the Court of Appeals. The cases were Board of County Commissioners against Stanley Peters and others, and Mercedes C. Phillips against Myra Moore and others.

The commissioners' action involved title to a parcel of real estate at Water-st and Western-ave. Both parties contended they owned the property, the commissioners being involved through a resident of the county home, now dead, deeding his property to the county. Judge Adkins decided the case in favor of the commissioners.

The question presented in the case of Phillips vs. Moore, was whether an item in the codicil of the will of Wellington B. White included great-grandchildren in its provisions. It was probated in 1890.

Concerned Survivor. Under the codicil Mr. White bequeathed 413½ acres of land in Jackson-twp to his widow during her lifetime, then to his four daughters during their lifetime. It says "At which time I give, devise and bequeath the said farm to all my grandchildren, then living, in fee simple, to be divided equally among all of them, share and share alike."

Eleven grandchildren were living at the death of the last daughter. One grandchild was deceased and survived by two children, great-grandchildren of Mr. White. These great-grandchildren, Alice Miner Campbell and Theron Miner, Springfield, Ill., sought a share in the partition action.

The ruling of Judge Adkins and the Court of Appeals was provisions of the document does not include great-grandchildren.

The cases were presented to the Court of Appeals on April 8. The decisions, both brief, were written June 3.

Misuse Ridiculed

Borah's charge from Washington that Republican National committee funds were misused, possibly embezzled, in the Ohio presidential primary campaign against him, jarred committee officials here but produced a chorus of denials. Chairman Henry P. Fletcher of the Republican national committee said neither he nor the committee had taken part in any primary contests. Ohio state Republican chairman Ed D. Schorr said the money had been used but ridiculed the Borah charge of misuse.

Coincident with this symptom of dissension between Borah and Knox, former Sen. George H. Moses of New Hampshire assailed Landon and indirectly beckoned Borah to join in an organized effort to block the Kansas nomination. Moses is one of Knox's campaign managers. He said the delegate support of both Knox and Borah was known and could be accurately tabulated but he ridiculed claims made in Landon's behalf and called on the party to nominate a bona fide anti-New Dealer.
